

I Need Help !!!

Here are some resources that can help answer questions about family history.

1. **Prayer and Fasting**

“They do not leave us to struggle alone but rather, in ways which are sometimes dramatic, prepare the way and answer our prayers.” (President Thomas S. Monson, Happy Birthday, *Ensign*, March 1995, page 58.)

2. **Family history consultants**

3. **Family History Centers**

Springville Family History Center – 489-2956

Utah Valley Regional Family History Center (BYU) – 422-6200

Utah South Area Family History Training Center (Provo) – 356-9114

Family History Library (Church’s main library in Salt Lake) – 1-800-346-6044

4. **Temple Recorder**

Call the temple and ask to speak to the temple recorder. He can help with questions and policies about temple ordinance work.

REMEMBER: There are no dumb questions! If you don’t ask, you won’t learn.
